NURSING

What is a Vocational Nurse?

The VN student is prepared for entry-level position upon completion and is ready to take the California licenser examination. The vocational nurse (VN or PN) works under the supervision of the physician or RN. This is a professional nurse who provides nursing care at all levels.

PRE-REQUISITE

- 1) Minimum age to enroll in the program is 17½.
- 2) An original, accredited U.S. High School Diploma or GED
- 3) Applicant must pass the WBST entrance test.
- 4) Applicants satisfactorily complete an interview with the program director
